PROFESSIONAL SUMMARY

Accomplished and dedicated Prosthodontist with 6 years of clinical experience in restorative dentistry, implant prosthodontics, and aesthetic dentistry. Proficient in managing diverse patient populations with complex dental needs in both private practice and hospital settings. Expertise in treatment planning, prosthetic rehabilitation, and cosmetic smile design with a strong commitment to patient education and evidence-based clinical practices.

WORK EXPERIENCE

Senior Prosthodontist

Sep 2022 – Present

Smile Plus Dental Hospital, Mumbai

- Manage a daily patient load of 15–20 cases including complex restorative and implant prosthetic treatments.
- Supervise and mentor 3 junior dentists and dental interns through clinical practice and case discussions.
- Perform comprehensive treatment planning for full-mouth rehabilitation and aesthetic cosmetic cases.
- Collaborate with oral surgeons and orthodontists to develop integrated multidisciplinary treatment plans.
- Maintain digital clinical records and digital smile design documentation using modern dental practice management software.

Associate Prosthodontist

Jul 2020 – Aug 2022

Apex Dental Care Centre, Pune

- Diagnosed and treated prosthetic cases including crown & bridge, removable dentures, and complete denture rehabilitation.
- Assisted senior prosthodontists in complex implant-supported prosthetics and esthetic rehabilitation cases.
- Performed clinical procedures including tooth preparation, impressions, shade selection, and denture fabrication oversight.
- Maintained detailed patient records and treatment documentation for 800+ active patients.

Dental Intern (Rotating Internship)

Jun 2019 – May 2020

Dr. D.Y. Patil Dental College and Hospital, Pune

- Completed clinical rotations across Prosthodontics, Operative Dentistry, Periodontics, Oral Surgery, and Pediatric Dentistry.
- Gained hands-on experience in diagnostic procedures, patient management, and basic treatment protocols.
- Assisted in community dental camps and oral health awareness programs.
