PROFESSIONAL SUMMARY

Skilled and dedicated Dermatologist with 7 years of clinical experience in diagnosis and management of dermatological and aesthetic conditions. Proficient in both medical and surgical dermatology, laser therapy, cosmetic procedures, and dermatosurgery. Expert in managing complex skin disorders, performing clinical and dermatopathological diagnoses, and providing patient-centered aesthetic treatments. Committed to staying current with advancing dermatological techniques and delivering comprehensive skin care services.

WORK EXPERIENCE

Senior Consultant, Department of Dermatology

Oct 2022 – Present

Apollo Speciality Hospitals, Chennai

- Manage a diverse patient caseload of 25–35 cases daily across medical dermatology, cosmetic procedures, and dermatosurgery.
- Supervise and mentor 2 junior dermatologists and resident doctors in clinical diagnostics and procedural skills.
- Perform advanced dermatological procedures including laser therapy, chemical peels, microdermabrasion, and dermatosurgery.
- Conduct comprehensive dermatological assessments for complex skin conditions including psoriasis, eczema, vitiligo, and acne management.
- Provide aesthetic consultations and design customized treatment plans for anti-aging and cosmetic dermatology cases.

Associate Dermatologist

Aug 2019 – Sep 2022

Sri Ramachandra Institute of Higher Education and Research, Chennai

- Diagnosed and treated a wide spectrum of dermatological conditions including infectious diseases, inflammatory disorders, and pigmentary disorders.
- Performed dermatopathological examination and histopathological correlation for diagnostic accuracy.
- Administered topical and systemic pharmacological therapies with monitoring for therapeutic response and adverse effects.
- Conducted dermatosurgical procedures including skin biopsy, cryotherapy, and lesion excision.
- Maintained comprehensive patient records for 700+ active dermatology cases.

Junior Dermatologist (Rotating Internship)

Jun 2018 – May 2019

Madras Medical College and Government General Hospital, Chennai

- Completed rotations across General Dermatology, Pediatric Dermatology, Sexually Transmitted Infections, and Dermatopathology.
- Gained hands-on experience in clinical examination, patch testing, and basic dermatosurgical procedures.
- Assisted in community dermatology camps and school screening programs for skin diseases.
